A.14 If the program serves enrollees under A.13.f, specify how the program has demonstrated that all children in their area that would be eligible under A.13.a to A.13.d are being served.	
The program has demonstrated that all income-eligible children in the service area who have applied and are interested in services are being served through enrollment in Head Start, Early Head Start, or other appropriate early childhood programs. This determination is based on enrollment data, recruitment efforts, community assessment findings, and the absence of a waiting list for eligible children. The program conducts ongoing recruitment and collaborates with community partners to identify eligible families, ensuring that available slots are filled and that children and families have access to needed services. These data indicate that the current funded enrollment is sufficient to meet the identified need within the service area.
