Dear Applicant:

Thank you for your interest in the Rushford Home Renovation Loan Program. Semcac is administering this home improvement loan program for the City of Rushford and the Rushford Economic Development Authority.

Enclosed is the application packet for this program. Program information is included in the packet and there are forms to complete and return. Some of these forms only have one signature line for the applicant/client to sign; if there are two adult heads of household, please have both adults sign on the same line.

Please return your application and all required information to me, at the address above. Funding is on a "first come, first served" basis. If I don't hear from you or get your application and related information back within two weeks, I will assume you are no longer interested in the program.

During COVID-19, Semcac is not open to the public. There is a drop box outside the front door (204 S. Elm St) if you want to drop off your application packet. You can also mail the application materials, or scan and email them to me.

If you have any questions, please call me at (507) 864-8207, or email me at cindy.vitse@semcac.org.

Sincerely,

Cindy Vitse
