

Open Your Heart to the Hungry & Homeless 2019

Semcac food shelves are located in **Caledonia, Kasson, Preston & Rushford**.
In 2018, **1,284** households made a total of **7,632** visits to Semcac food shelves. The food shelves received 355,412 lbs. of donated food & goods.

Semcac food shelves are participating in the 2019 Open Your Heart to the Hungry and Homeless donation challenge sponsored by Hunger Solutions that takes place during the **month of July**. The amount given to Semcac from these grant funds will depend upon the amount raised during this one month period; the more that we receive as donations, the higher percentage we receive of the designated grant funds!

We encourage you to donate this July.
